Bevan Lodge Management Committee Newsletter Spring 2024

Your Committee until the end of the school year:

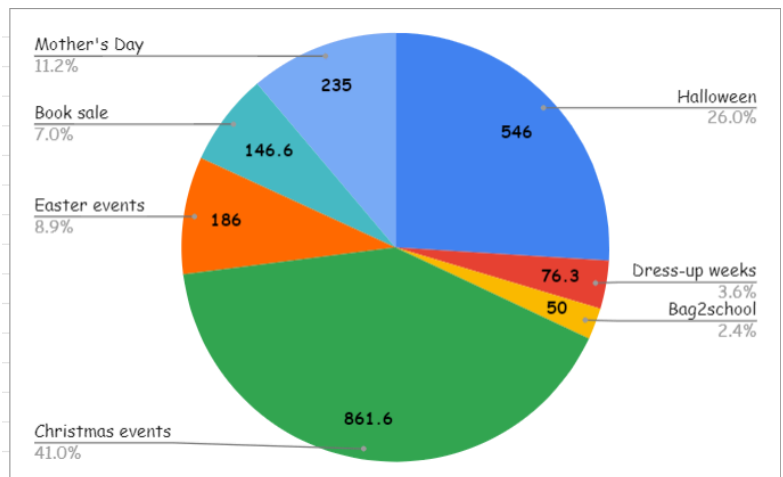

Chair: Robin Fell (Laura's Dad)

Treasurer: Anna Glovatskaya (Alyssa's Mom)

Secretary: Sophie Smith (Ellis's Mom)

Member: Emily Patsalides (Sofia's Mom)

Together we have raised an unbelievable £2,101.50 in Autumn and Spring terms.

Let's see how the Committee spent the funds in the last few months!

£192.59 Caterpillar Tunnel

£606 Lamb shelter VAT&delivery

£299.99 Water Run

£144 - outstanding charges towards replacement garden tables

£293.25 - which is half the cost for the Miller's Arc mobile farm visit. Knellwood are kindly covering the other half.

We are lucky and grateful to be in the position to book some fun activities for you and our Bevan children - please stay tuned for updates! Here are some highlights for the next couple of months.

Friday, 24th May, Horse-drawn carriages, Knellwood grounds

Bevan children are invited to take part in the horse-drawn carriage rides, a free activity, but needs to be supervised by parents. It is not a part of Bevan curriculum, but a fun event for the little ones.

Monday 10th June, Miller's Arc farm visit

In a partnership with Knellwood Residential Home we have booked Miller's Arc mobile farm to visit Bevan Lodge from circa 10 a.m. to 2 p.m. Children who are not normally in a setting on Monday are encouraged to join in, just make your way straight to Knellwood grounds.

Miller's Arc will bring a selection of their friendly farm animals which can include the following: sheep and lambs, naughty goats and kids, Kune Kune pigs and two miniature donkeys.

This is to thank two generous sponsors of the Bevan Easter Creative Competition:

Tesco Aldershot and their Community Champion Cameron Hughes for donating chocolate Easter eggs.

**WELLINGTON
COUNTRY PARK**

Wellington Country Park for providing two entrance tickets to the winning entry.

And, finally, thank you, parents, for decorating those Easter chicks with your children, finding the time, space and energy to do so, paying for the entry and, most importantly, for doing it all knowing your child can't keep their amazing craft. You are not just modelling empathy and kindness for your little ones, you are also helping to form community relationships and keep up Bevan's immaculate reputation.
